

BLUE CUBE BUSINESS 10 CHEYNE WALK NORTHAMPTON NNI 5PT
T: 01604 620810 F: 01604 627954 BLUECUBE BUSINESS.COM

DIRECTIONS TO BLUE CUBE BUSINESS FOR THOSE WITH LOCAL KNOWLEDGE

We are located at the bottom of Cheyne Walk on the corner of the junction with Dergate and diagonally opposite Becketts Park. Access on foot is via our front entrance on Cheyne Walk.

If travelling by car, you need to access our car park at the rear of our offices which is off Spring Gardens. Access to Spring Gardens is off St Giles Street opposite the corner of St Giles Churchyard.

DIRECTIONS TO BLUE CUBE BUSINESS FROM JUNCTION 15

On exiting at Junction 15, take the A45 towards Northampton.

On exiting the roundabout on to the A45, reset your trip meter.

The A45 is a wide dual carriageway road with several exits from it. You should stay on the A45 until indicated at 3.3 miles, but we will highlight the exits for your convenience.

At 0.2 miles you will pass an exit to Collingtree and Milton Malsor.

At 0.8 miles you will pass an exit to Wootton, East Hunsbury and Collingtree Park.

At 1.8 miles you will pass an exit to the Town centre and Sixfields. After this junction, the road goes into three lanes. You should take the middle lane.

At 2.7 miles, the left hand lane exits into Brackmills. After this point, the road reverts into two lanes and then immediately after this junction a further lane is added on the inside. You should take the left hand lane at this point.

At 3.3 miles, the inside lane will take you off the A45 at a junction sign posted Town centre and A428 to Bedford. Proceed to the bottom of the slip road staying in the left hand lane and take the 1st exit towards the Town centre.

After 3.8 miles, proceed straight on at a set of traffic lights. You will then pass a series of car showrooms on your right hand side.

At 4.2 miles the road turns to the right and after a short time splits into two lanes. Take the right hand lane and proceed to a set of traffic lights at 4.4 miles.

Turn right at these lights into Cheyne Walk.

At 4.5 miles you will reach further traffic lights. You should take the left hand lane and turn left into Spencer Parade.

After only around 100 yards, with St Giles Church on your right, you should turn left again into a narrow one way road called Spring Gardens which gives access to the rear of the offices in Cheyne Walk.

Approximately 20 metres from the bottom of Spring Gardens (opposite a pair of blue gates), you will reach the last set of gates into the rear of the offices in Cheyne Walk. This is clearly marked as the car park for Blue Cube Business.

Turn left under the gatehouse entrance and into the car park. Once parked, please enter using the intercom system at the back door to our offices off the car park.

Please note, on exiting our car park, Spring Gardens is a one way road (right to left) and you should exit to the left being careful to look out for traffic approaching from the right.

If you would like directions back out of Northampton, please ask at Reception prior to leaving our offices.
